

This is what better sound looks like.

NEW Bose® OE2 audio headphones

BOSE
Better sound through research.

It will be written all over your face - the sheer enjoyment of hearing your favourite music with Bose® OE2 audio headphones. They feature contoured shape and an advanced acoustic design that brings out the depth and clarity of your music, while a slim headband and memory foam ear cushions offer a comfortable on-ear fit. And when you're done listening, they fold up easily, so you can take them with you. Choose either black or white, and discover the new look of better sound.

Performance that takes you away. Immerse yourself in sound and comfort.

Bose® IE2 Audio Headphones

Bose® audio headphones set a new audio standard. Experience musical detail and a comfortable fit that conventional earbuds cannot match. Durable materials contribute to lasting quality.

What you expect from Bose®.
What you'd never imagine from your computer.

Companion® 5 Multimedia Speaker System **R5299.99**
CREDIT AVAILABLE

The Companion® 5 multimedia speaker system gives your computer an enveloping sound experience from multi-channel content without the complications of a five-speaker surround sound system. Two small, elegant speaker arrays and a hideaway Acoustimass® module combine to create a thrilling audio experience that puts you in the middle of the action. The Companion® 5 multimedia speaker system brings your music, games and movies to life with rich, detailed sound that can turn your computer system into a real entertainment centre.

Take the performance of your iPod to the next level.
Insert iPod. Feel what happens.

SoundDock® 10 Digital Music System **R7899.99**
CREDIT AVAILABLE

Experience a performance for your iPod or iPhone so powerful, you have to hear it to believe it. The SoundDock® 10 digital music system. Designed with exclusive Bose® waveguide speaker technology, it delivers a generous range - from the deep lows of the bass line to the soaring highs of a vocalist. The clarity of the performance is one you may never have heard before from a sound system for the iPod or iPhone. In fact, the sound of this elegant, one-piece design even rivals that of a large stereo Bluetooth® music phone. Hear our best-performing digital music system for yourself. Listen once, and you'll hear why there's no other system like it.

Companion® 20 Multimedia Speaker System **R3499.99**
CREDIT AVAILABLE

Presenting the highest-performing two-speaker sound system from Bose®. It lets you enjoy full, natural sound in front of your computer or across the room. Its sleek, space-saving design complements the look of your computer. Plus, a unique control pod makes it easy to adjust or mute the volume and connect headphones or other audio devices.

SoundDock® Portable Digital Music System **R5299.99**
CREDIT AVAILABLE

The Bose® SoundDock® portable digital music system lets you enjoy your iPod or iPhone music almost anywhere, indoors and out. Our proprietary technologies and a rechargeable lithium-ion battery make it easy to share your music for up to eight hours. It's a combination of performance and playtime that other rechargeable systems can't match. Experience the sound of this small, portable system for yourself. And hear the performance only Bose® technology can deliver.

Companion® 2 Series II Speaker System **R1299.99**
CREDIT AVAILABLE

Designed with new, contemporary styling, the Companion® 2 Series II multimedia speaker system provides a high-performing, elegant upgrade over most conventional computer speakers.

SoundDock® Series II Digital Music System **R3799.99**
CREDIT AVAILABLE

The SoundDock® Series II digital music system's unique combination of small size and powerful performance is the result of our commitment to research and exclusive Bose® technologies. The system includes a remote that controls the basic functions of your iPod and even switches back and forth between playlists. It also includes an auxiliary input that lets you easily connect other audio devices. Experience it for yourself. And hear a performance only Bose® technology can deliver.
